Figures in this file are preliminary. They were pulled from public access resources available on 8 September 2026. They have not been certified by an auditor, a town clerk, a bank officer, or a court. Totals that rest on a third-party extract should be re-checked against the original award letter or Form 990 PDF before any filing or public statement.

This document is a working desk file. It is not a legal filing. It is not legal advice. It is not a credit opinion. It is not a finding of wrongdoing. It does not accuse any person, bank, town, county, planning district, or public official of misconduct, fraud, or misuse of funds.

Prepared from records anyone can read: the 1 September 2026 Bank of Winona public-records package, IRS Form 990 extracts, the CDFI Fund searchable awards list, USAspending award 241BE066264-G, the FY 2024 BEA award book, SAM entity pages, MDA and DRA press releases, and FDIC BankFind. Where a source was incomplete, the line was left blank or marked not confirmed.

CDFI FUND AWARDS TO THE BANK

These rows are institutional receipts at 312 N Applegate. They are not NCPDD awards and not town-hall awards. BEA is a reimbursement-style award for measured increases in distressed-community lending or CDFI support. RRP and ERP were pandemic-era capital. FA went to the holding company.

ADDENDUM 8 Sept 2026 2021 Bank of Winona BEA \$170,699. Re-seen on the CDFI Fund searchable awards list. Missing from the 1 Sept 2026 package table. Does not change the 2023 BEA of \$437,350.

WHAT NCPDD ACTUALLY HANDLES

NCPDD packages and often administers CDBG, DRA, HOME, and similar applications for Attala, Carroll, Grenada, Holmes, Leflore, Montgomery, and Yalobusha. Most community awards in that region are written to the city, town, or county, not as checks from NCPDD.

990 contributions

FYE 30 Sept 2024 contributions \$6,593,743. Total revenue \$6,787,166. FYE 30 Sept 2023 contributions \$6,989,363. Total revenue \$7,196,659. These are bundled government-grant totals, not an award-by-award public list.

990 grants paid

Instrumentl extract: \$355,595 (2021), \$310,728 (2022), \$225,378 (2023), \$109,598 (2024). Named 2024 recipients on public extracts reviewed for this file were not Bank of Winona.

Named awards to the office

\$553,730 announced 11 Dec 2025 for a Regional Small Business Development Center at NCPDD serving Montgomery and Yalobusha. Miracle Village is not listed as an NCPDD award. The 2 May 2024 Thompson letter names Plum Street Soup Kitchen, 42 Church Street, Grenada. A separate January 2026 Record citation naming NCPDD was not re-opened.

Town and county awards in the companion NCPDD grant file (North Carrollton DRA and FEMA streets, Vaiden \$600,000 CDBG sewer on 18 May 2026, Carroll County DRA road) were announced as awards to the town or county.

VERIFIED OVERLAP ONLY

1

Place. Both sit in Winona, Montgomery County.

2

District map. NCPDD's seven-county map includes Montgomery County, where the bank is chartered, and Carroll County, where North Carrollton and Carrollton sit.

3

Utility overlap, not a grant overlap. The 1 September 2026 bank package records director Tim McBride as identified on a 12 Dec 2025 Tyler Holmes Memorial Hospital trustee post as District Manager at Delta Electric Power Association. The North Carrollton working file records Delta Electric as the town's electric provider. That is a civic and utility overlap. It is not a published transfer of CDFI award cash from the bank to NCPDD or to Town Hall.

4

Method overlap only. Both files use the same public-records desk method. That is how they sit in the same case family. It is not proof they share a ledger.

Same city does not mean same EIN, same UEI, same award, or same checking account.

DO NOT TREAT THESE AS FACTS

The two files plus the live sources checked on 8 September 2026 do not show the items below. Leaving them unclaimed is the honest reading.

1

NCPDD did not appear as the recipient of the \$6.38 million CDFI ledger.

2

Bank of Winona did not appear as the recipient of the North Carrollton CDBG, FEMA, DRA, or TAP awards.

3

NCPDD's published 990 grant-paid extracts did not name Bank of Winona.

4

No public CDFI Transaction Level Report in these files names a North Carrollton, Carrollton, or Carroll County borrower tied to those award years.

5

No public record reviewed for this file names a town officer as a Bank of Winona director, officer, or shareholder. Same-city civic names are not treated as a financial tie.

6

Holly R. Logue is the bank's CDFI consultant on the holding-company SAM record. She is not an NCPDD officer on the records reviewed.

The 1 September 2026 bank package already states the outcome gap: documented federal awards to the bank, and no public accounting of community outcomes attached to those awards was located in that binder.

RECORDS THAT WOULD PROVE OR CLOSE IT

These four documents would confirm or rule out a dollar connection. None of them are in the 1 September 2026 bank package or in the NCPDD 990 extracts used for the companion brief.

1

CDFI Transaction Level Reports for Bank of Winona and Bancorp of Winona, Inc., 2016 through 2024, filtered to Carroll County and Montgomery County census tracts.

2

NCPDD audited Schedule of Expenditures of Federal Awards and Form 990 Schedule I, searched for Bank of Winona or Bancorp of Winona.

3

FR Y-6 for RSSD 3229503, to see whether any NCPDD officer or Carroll County official is a shareholder or director of the holding company.

4

Town of North Carrollton and Town of Carrollton bank-depository resolutions, to see which bank holds town funds. Holding deposits is still not the same thing as receiving the CDFI award.

Until one of those four lands, the working statement is: Winona has a CDFI bank with a documented Treasury award run, and Winona has a planning district that packages town grants. The public record reviewed for this file does not merge those two piles of money.

S 09 ENTITY IDS, CORRECTED

THREE SEPARATE LEGAL PERSONS. THREE SEPARATE UEIs.

The supplied data sheet swapped the bank UEI with the holding-company UEI and assigned NCPDD's UEI to the holding company. Live SAM pages disagree. Use this page.

ENTITY	ID 1	ID 2	UEI / STATUS
Bank of Winona	FDIC Cert 12207	RSSD 800442	UEI CMBTY4NJGAF5
	Established 15 June 1885	State charter, Fed member	Subchapter S
Bancorp of Winona, Inc.	Holding RSSD 3229503	Started 6 Nov 2003	UEI C5KHDCJADYR4
NCPDD, Inc.	EIN 64-0473694	Founded 1971 on the 990	UEI NH8PJNZMKPS8

Do not use C5KHDCJADYR4 as the bank UEI. That ID is Bancorp of Winona, Inc.
Do not use NH8PJNZMKPS8 as a bank or holding-company UEI. That ID is NCPDD.
